Decision 1498 2018 (PDF, 107.92 KiB)

Brief summary

In this case an application was filed for in rem restitution of properties for which no specific address was given. The Arbitration Panel was able to identify one or more properties to which the claim could have referred. However, on the cutoff day, 17 January 2001, these properties were not publicly-owned as defined by the General Settlement Fund Law. Therefore, as there was no specific property eligible for restitution, the application had to be dismissed.
